**Description of Service Facility  
(Art. 5 of the Implementing Regulation (EU) 2017/2177)**

<b>6. Allocation of capacity</b>		
<b>Par. No.</b>	<b>Title</b>	<b>Description</b>
6.1	Requests of access to facility or services	The requests of access to facility or shunting services must be sent beforehand, at the beginning of the service, by email to <a href="mailto:trazioni.adriafer@adrifer.com">trazioni.adriafer@adrifer.com</a> and <a href="mailto:ordinazioni.adriafer@adriafer.com">ordinazioni.adriafer@adriafer.com</a> for annual train timetable or during the running timetable (VCO) within the timeframe mentioned in the General Terms and Conditions of Offer. The requests to the Operational Management will be submitted by means of the RFI and will be accepted depending on the facility provided by the M53 and by the confirmed schedule of the relevant day.
6.2	Response to requests	<p>Maximum response time for requests for annual train timetable:</p> <ul style="list-style-type: none"> <li>a) 30 days for accepting the request or, in case, any possible reasons hindering the acceptance, such as a conflict with other requests that have been received;</li> <li>b) 45 days in case the request is in conflict with other requests, the outcome of the coordination procedure and the subsequent possible application of the criteria of priority, as mentioned in Articles 10 and 11 of the Regulations.</li> <li>c) 90 days in case it was not possible to meet a request through the coordination procedure, the outcome of the subsequent procedure of identification and evaluation of viable alternatives, as mentioned in Articles 12 and 13 of the Regulations.</li> </ul> <p>Maximum response time for requests in GO (Gestione Operativa, out of normal scheduling):</p> <ul style="list-style-type: none"> <li>a) 5 working days from the receiving date of the request</li> </ul>
6.3	Information on available capacity and on capacity temporary restrictions	See doc. M53 DPC of District
